## Parish Group details

### Group Name:

Cookery Group

### Number of members:

10

### When we meet and how often:

Thursdays, 11am to 1.30pm

### Our role in the Parish:

Sr. Joseph (RIP) started the group in 1994 to encourage young girls to cook instead of buying ready-made meals and take aways. A tutor used to come from BIFHE and provide a demonstration; however these ceased a few years ago.

The group maintains our friendships and still meets each week for a cup of tea and a chat.

### How to join us:

Call into the Parish Hall any Thursday between 11am and 1.30pm
