## Parish Group details

### Group Name:

Ecumenical Group

### Number of members:

12

### When we meet and how often:

It varies. We are constantly alert for opportunities to foster and consolidate relationships with members of other Christian denominations.

### Our role in the Parish:

Our primary role is to encourage the Parish community to join us as we reach out in faith and friendship to other Christian communities - and so help to bring to fruition Christ's desire "that all of them may be one."

We have established strong links with a number of churches; in particular with the Church of Ireland / Methodist Church of the Good Shepherd where we are welcomed regularly to their services and social events. In a joint charity effort last year many of the parishioners of both parishes gave very generously of their time and talents to knit blankets for needy babies in Malaya.

We represent the Parish at many ecumenical events in the Diocese, e.g. In Joyful Hope, The 4 Corners Festival, Week of Prayer for Christian Unity, Clonard Good Friday Walk of Witness, etc.

### How to join us:

Contact the Parish Office or speak to Fr. Aidan
