How to book a Baptism at St Oliver Plunkett Parish Church

- Baptisms **cannot** be booked before your child is born
- Please ensure you book the baptism with the Church **before** making any other arrangements, to avoid disappointment
- St Oliver Plunkett only baptise five children on any one date
- Baptisms are the 1st & 3rd Sunday of every month at 12 noon, after 11am mass. However, please try not to arrive too early to help avoid congestion when the parishioners are leaving mass
- The parents are required to attend a pre baptism course on a Wednesday evening at 8.30pm, normally the month prior to the baptism. It is essential this course is attended and baptism will not take place if this is missed
- When you have decided on a date, give us a call, we will check availability for you, take a few details, give you the date of the course and ask you to call at the parish house for a letter relating to the course
- If you are from another parish and wish to have your child baptised at St Oliver Plunkett, please ensure you go to your own parish for a letter which you need to bring to us before the date of the baptism though we can still go ahead and book your date
- You can do the baptism course in your own parish or the parish in which the baptism will take place
- Most other questions you may have should be answered at the course however, we are happy to speak to you should you need to call us for any other advice.
